1.0 INTRODUCTION

1.1 Project Background

This report presents the results of the potentially responsible party (PRP) search conducted for the Big River Mine Tailings site in Desloge, Missouri. This PRP search was conducted to assist EPA in oversight of the planned removal at this tailings pond and chat pile.

The site was identified as a potentially uncontrolled hazardous waste site after heavy rains caused the breaching of a retention dam and washed a large amount of tailings into the Big River in 1977. Contamination of surface water and stream biota resulted.

1.2 Scope of Work

The contractor received a Technical Direction Document (TDD # T17-8806-004) to complete a PRP search for the Big River Mine Tailings site, CERCLIS ID # MOD981126899. Specific elements included reviewing files, performing a deed search, evaluating the deeds to determine various PRPs, assessing the financial capabilities of the identified PRPs, and conducting any needed interviews.

1.3 Project Approach

In order to meet the objectives of identifying PRPs and assessing their financial status, the contractor completed four basic tasks. The contractor's approach to these tasks is described below.

Task 1: Research Sources of Information

Completion of this task comprised a review of the EPA Superfund files located in the Region VII Superfund file room and the FIT files located at the Ecology and Environment, Inc. Kansas City office. The EPA Superfund files and the FIT files were reviewed for background information, site history, and property description. All documents from these file were reviewed, and a list of the significant documents used is located in Section 7.0.

Task 2: Conduct a Title Search

The title search for the Big River Mine Tailings site was conducted by a professional title company under subcontract. The property was searched from 1900 to the present to identify any current or previous owners which might be PRPs. The chain of

ownership was established based on the results of the title search which are presented in Section 3.0. Title documents are located in Appendix A.

Task 3: Develop Basic PRP Information

For corporations which were identified as PRPs, the following information was obtained:

- ° All aliases or other names of business or operations
- ° Addresses and telephone numbers
- ° Officers and directors
- ° State and date of incorporation
- ° Standing in the State of Missouri
- ° Registered agent's name and address

For individuals who were identified as PRPs, basic information including current address and relationship to the site was obtained. This information is presented in sections 4.0 and 6.0 of this report. Incorporation documents and annual reports are located in Appendix B. Officers and directors are found in the Dun and Bradstreet reports in Appendix C.

Task 4: Develop PRP Financial Information

For corporations which were identified as PRPs, a Dun and Bradstreet report was requested and financial information was also collected from Moody's Industrial Manual. For individuals who were identified as PRPs, real estate holdings in St. Francois County were requested from the County Assessor. Financial documents are located in Appendix C.

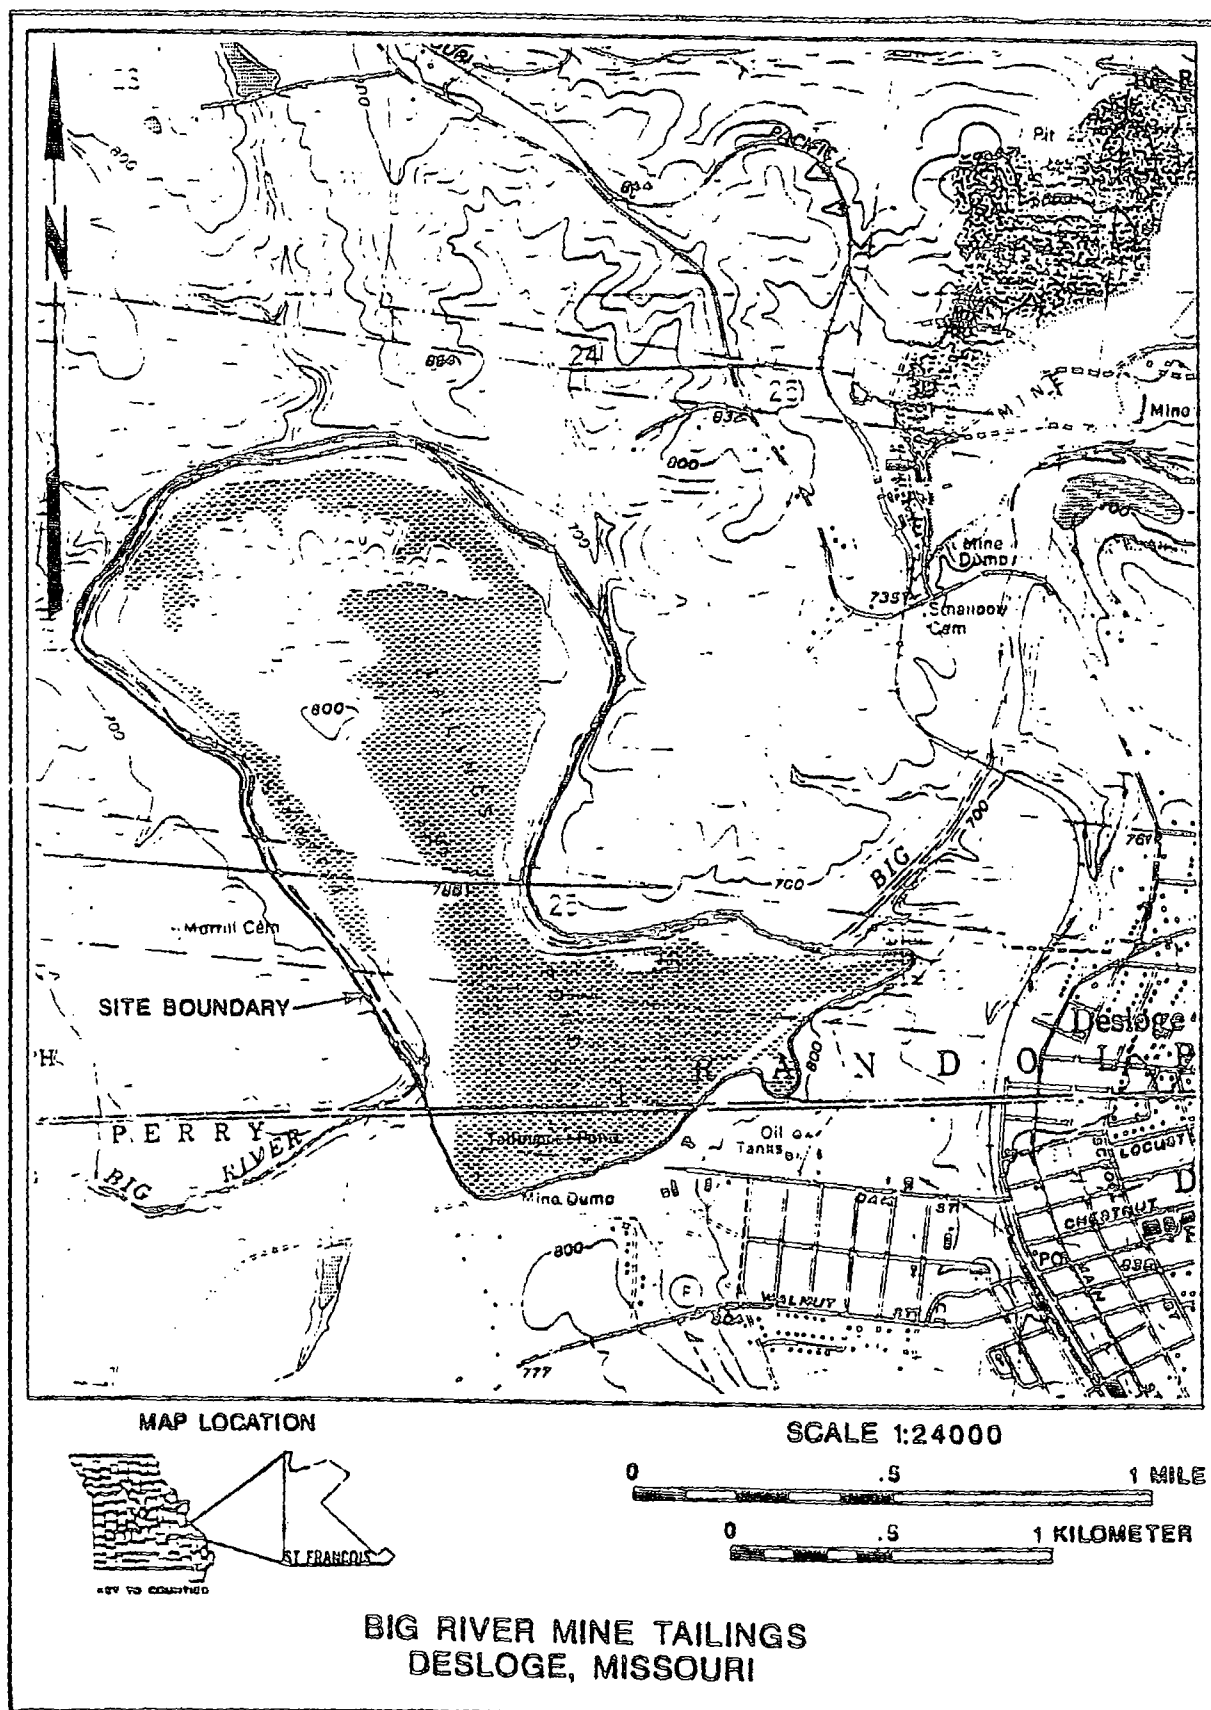

2.0 SITE HISTORY

The Big River Mine Tailings site is located in east central Missouri about one-fourth mile northwest of Desloge in St. Francois County (Figure 1). This area was a part of Missouri's "Old Lead Belt" which was actively mined from 1850 to 1965 (Ref. 4). The site is partially located within a horseshoe meander of the Big River and covers more than 600 acres. The tailings pond was filled from 1929 to 1958 by wastes from the nearby Desloge mill. The St. Joseph Lead Company built tailings dams across the ravines which formed the original topography of this site. Finely ground dolomitic rock fragments, the waste left after metals were extracted from the ores, were piped as a slurry to the upper ends of the ravines. As the rock fragments settled out, the clear water was allowed to flow out at the drain towers near the dam (Ref. 1). This practice led to the formation of the large fields of finely ground rock, shallow near the ridgetop (in the western part of the site) and up to 80 feet deep at the outer edges. Coarser rock makes up the dams and the immense tailings or chat pile located east of the tailings pond.

In 1972 the County acquired about 500 acres of the tailings site for use as the county landfill. St. Joe Minerals Corporation retained the large chat pile to the east. The landfill has been operating at the southwest section of the former tailings pond (Ref. 6). The landfill accepts only typical residential refuse and uses the fine tailings for daily and intermediate cover. Soil and clay from the onsite ridgetop is used for final cover and then seeded (Ref. 2).

In 1977 a section of the retaining dam and the fines behind it were washed into the Big River during a severe rain storm. It has been estimated that up to 50,000 cubic yards of tailings were washed away from an area north of the landfill. Fish sampling conducted in 1980 by the Missouri Department of Conservation showed that bottom feeders were bioaccumulating lead to an unsafe level for human consumption. Several smaller areas of erosion also have been documented since the 1977 event (Ref. 6).

In 1981, St. Joe Minerals Corporation, the landfill commission, and the State of Missouri signed a "covenant not to sue" and remedial action was begun to stabilize the tailings (Ref. 3). In 1985 the Desloge Tailings Task Force, composed of representatives of St. Joe Minerals Corporation, the landfill commission, Missouri Department of Natural Resources (MDNR) and local officials, was organized to solve the environmental problems of the Big River Mine Tailings site. Stabilization efforts to date have included filling the erosional gaps as these gaps occur, planting test plots of grass and trees (35 acres so far), and constructing berms and wind fences to reduce water and wind erosion of the tailings (Ref. 6).

In 1986 the landfill commission requested permission to expand operations into 200 more acres of the tailings. Because of concern that the landfill leachate might mobilize heavy metals, MDNR requested that six monitoring wells be installed around the current landfill to determine if leachate is being formed, and if so, if it contains significant quantities of heavy metals. Samples collected in January 1988 showed low water levels, neutral pH and low concentrations of lead (7 to 29 ug/l). Samples collected in May 1988, however, showed some higher water levels, slightly acidic pH (6.6 to 6.9) and higher concentrations of lead (68 to 88 ug/l) (Ref. 8).

3.0 PROPERTY HISTORY

3.1 Introduction and Property Description

The boundaries of the Big River Mine Tailings site were determined by the preparers of the Hazard Ranking System (HRS) package for this site (Ref. 5). These boundaries encompass about 600 acres of land of which about 275 acres contain the fine tailings field and about 95 acres contain the coarse chat pile (Ref. 7). The site is located in part of Fractional Sections 25, 26, 35 and 36 and part of U.S. Survey Numbers 870, 2164, 3176 and 2105, all in Twp. 37 N Range 4 E. Figure 2 illustrates the various tax parcels and the ownership of each one. All of the site property was owned at one time by St. Joe Minerals Corporation except for U.S. Survey No. 2105. No tailings were placed on this property although it appears that some have washed or blown over the survey line at some time in the past.

Legal descriptions of the various pieces of property are provided in the title documents located in Appendix A. However, the property currently owned by St. Joe Minerals Corporation is what is left of the property described in the 1929 title document after St. Joe Minerals Corporation conveyed various parcels of land to various people. No complete legal description is, therefore, available for the St. Joe Minerals Corporation property. For convenience, tax parcel numbers from the December 31, 1987 county ownership map are used to describe the various pieces of property and these are shown on Figure 2.

3.2 Chain of Ownership

On June 20, 1929 Desloge Consolidated Lead Company conveyed to St. Joseph Lead Company certain lands and interests in lands in St. Francois County. By contract between the two parties, Desloge Consolidated Lead Company agreed to give to St. Joseph Lead Company a deed describing said lands with more definiteness and particularity when requested. Consequently, a supplementary deed, dated January 21, 1931 was recorded in the Office of the Recorder of Deeds of St. Francois County, Missouri in Book 165 at page 482 which details all of the lands conveyed to St. Joseph Lead Company by Desloge Consolidated Lead Company. This deed describes all of the site property except for the part which is in U.S. Survey No. 2105. Tax parcel # 36-1, 5, 6, 7, 15 and 21, which are located in Sec. 36, Survey No. 3176 and Survey No. 870, are still owned by St. Joe Minerals Corporation (refer to Figure 2).

On June 26, 1972, St. Joe Minerals Corporation (formerly St. Joseph Lead Company) gave to the County of St. Francois, the surface rights only in and to the following described real estate:

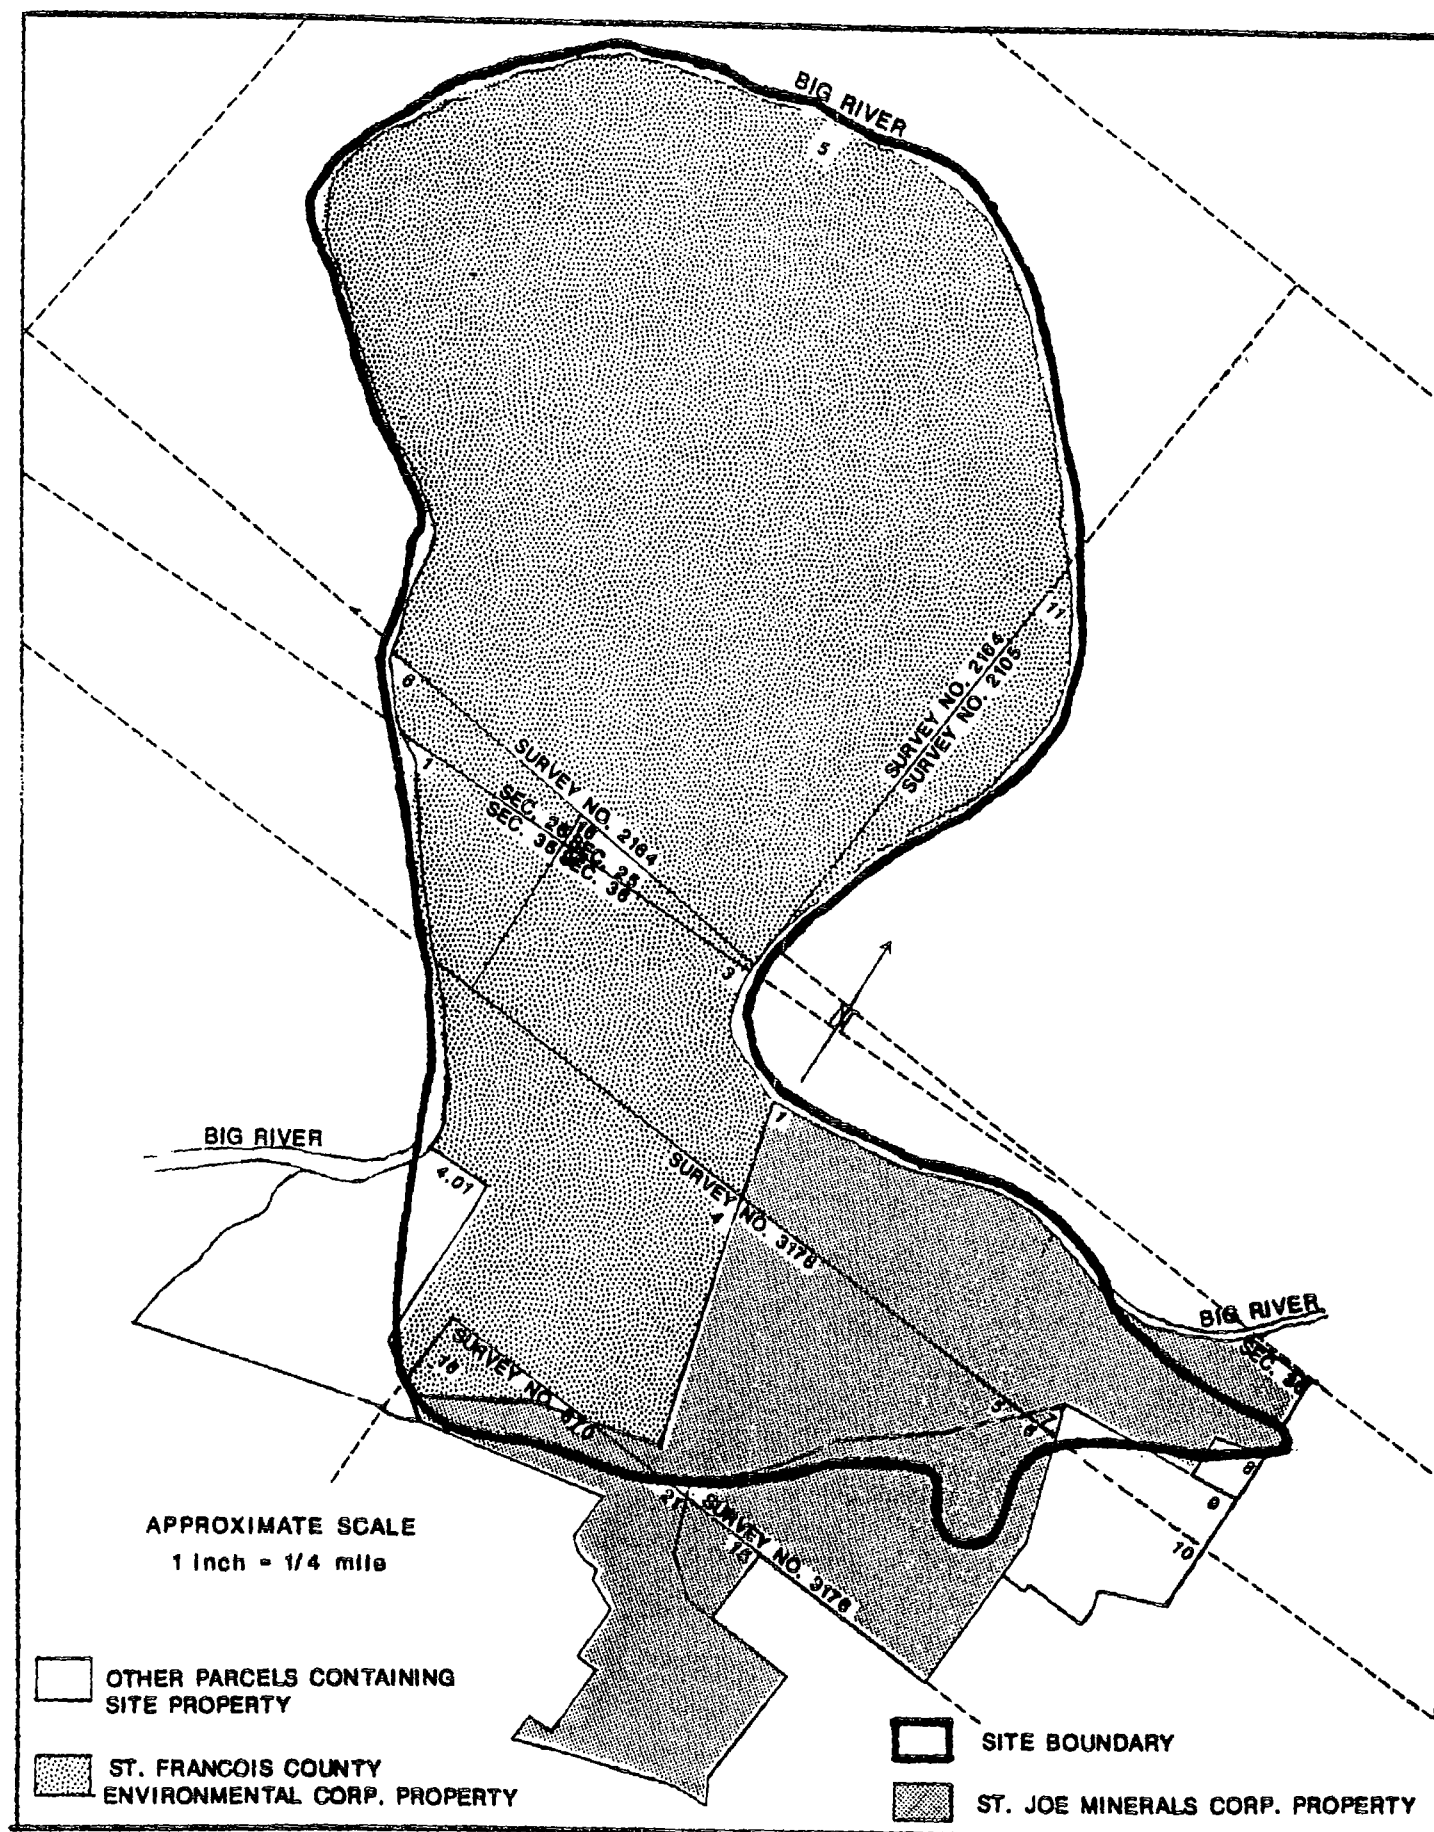

FIGURE 2: SITE PROPERTY OWNERSHIP MAP

A tract of land containing 4.68 acres, more or less, in Fractional Section 25, 8.33 acres, more or less, in Fractional Section 26, 14.91 acres, more or less, in Fractional Section 35, 39.07 acres, more or less, in Fractional Section 36, 11.10 acres, more or less, in U.S. Survey No. 870, 355.04 acres, more or less, in U.S. Survey No. 2164, and 70.60 acres, more or less, in U.S. Survey No. 3176, all in Township 37 North, Range 4 East, more particularly described in the special warranty deed filed for record on June 29, 1972 in Book 558 at page 158.

This same 503.82 acres were given by St. Francois County to St. Francois County Environmental Corporation on May 16, 1973 in a warranty deed filed for record on May 16, 1973 in Book 579 at page 647. This deed stipulates that if the grantee ever ceases to use the property for a sanitary landfill or recycling of solid wastes, then title to the land will revert to the grantor (the county). The St. Francois County Environmental Corporation currently holds title to this major portion of the site property numbered as tax parcels 26-5, 26-6, 25-16, 35-1, 36-3, 36-4 and 36-16 as shown on Figure 2.

Tax Parcel 36-8

On September 26, 1963 the St. Joseph Lead Company conveyed to Arthur T. Morris and Sandra Morris, his wife, a 54 acre plot of land of which 1.5 acres were located in the NE 1/4 of Fractional Section 36 (parcel 36-8 on Figure 2). The Special Warranty Deed recorded in Book 425 at page 451 was for surface rights only.

On December 1, 1965, Arthur T. and Sandra Morris conveyed the same property to Harry Ransom, Jr. and Mona I. Ransom, his wife, by General Warranty Deed recorded in Book 452 at page 153.

On September 30, 1977 St. Joe Minerals Corporation quit claim to Harry and Mona Ransom the 1.5 acre parcel of land located in the E 1/2 of the NE 1/4 of Fractional Section 36 and the rest of the 54 acre property, described more particularly in the Deed of Correction recorded in Book 678 at page 233. This deed was made for the sole purpose of correcting the description of the land conveyed to the Morrisses by St. Joe Minerals Corporation. A tiny portion of the site property is located on the 1.5 acre tract, numbered as tax parcel 36-8. This property does not appear to have any tailings on it, but was included in this report because of the way the site boundary was drawn in the HRS.

Tax Parcel 36-9 and 36-10

On October 25, 1977 St. Joe Minerals Corporation conveyed to Harry G. Ward and Robert D. Ward 38 acres of land of which approximately 25 acres are located in the S 1/2 of the NE 1/4 of Fractional Section 36 and in the N 1/2 of the NE 1/4 of U.S. Survey No. 3176. This 38 acre parcel is described more particularly in the Special Warranty Deed recorded in Book 681 at page 382. Only about one acre of the northwest corner of this property is part of the site, and it is uncertain whether any tailings are present on this property, numbered as tax parcels 36-9 and 36-10.

Tax Parcel 36-4.01

On August 12, 1982 St. Joe Minerals Corporation conveyed to St. Francois County a 37.57 acre parcel of land located in U.S. Survey No. 3176 and bounded by Owl Creek, Big River, the abandoned railroad, and the property owned by St. Francois County Environmental Corp., described more particularly in the special warranty deed recorded in Book 794 at page 695. The deed states that the property is to be used for public recreation purposes only and only grants surface rights to the property. Only about five acres of the northeast corner of this property is part of the site, but some of the tailings are definitely on this property which is numbered as tax parcel 36-4.01. St. Francois County currently owns this property.

Tax Parcel 25-11

The remaining piece of property included in the site boundary (tax parcel 25-11) was never owned by St. Joe Minerals Corporation. This piece of property, described as that part of U.S. Survey No. 2105 lying west of Big River was, until the last conveyance, part of a larger parcel (185 acres) situated on both sides of the river. This parcel was conveyed by Margaret Milford to W. J. Elledge on June 7, 1920 as tract No. 1 by warranty deed recorded in Book 123 at page 172.

On February 29, 1923 W. J. Elledge and Lida U. Elledge, his wife, conveyed to St. Francois County Prospecting Company the same tract No. 1 by warranty deed recorded in Book 133 at page 52.

However, the Elledges secured the payment of promissory notes to Margaret Milford by a deed of trust, which deed conveyed all of the tracts previously conveyed by Milford to Elledge to a trustee. When default was made in the payment of real estate taxes and the promissory notes, Milford requested the county sheriff to auction off the property to satisfy the payment of the notes. Milford was the highest bidder, so a sheriff's deed under

trust deed sale was made to convey the property from W. J. Elledge and Lida U. Elledge to Margaret Milford on May 4, 1925. This sheriff's deed was recorded in Book 143 at page 193.

The next document of record is a general warranty deed made on October 14, 1952 and recorded in Book 284 at page 388. The grantors on this deed are the children of Margaret Milford, listed as Clarissa A. Harris and Irvin J. Harris, her husband; William C. Milford and Eunice Milford, his wife; Thomas T. Milford and Elizabeth G. Milford, his wife; and Florence L. Boehringer (formerly Milford). This deed conveyed the property to Otto Ratley and Gertrude Ratley, his wife. Margaret Milford's will was not found in the title search, but is presumed to be the mode of transfer from her to her children.

On March 27, 1953 Otto and Gertrude Ratley conveyed the same property to Lola Ratley by a general warranty deed recorded in Book 284 at page 396. On the same day, Lola Ratley conveyed an undivided one-half interest in the property to Otto and Gertrude Ratley and the other undivided one-half interest to Harold C. and Gladys A. Gaebe with the couples owning their half interests as tenants in common. This deed is recorded in Book 284 at page 398.

On December 19, 1958 Harold C. and Gladys A. Gaebe conveyed an undivided one-half interest in the same property to the Scottish Rite Foundation of St. Louis, Inc., which general warranty deed is recorded in Book 352 at page 459. The title search did not identify when, if ever, the other one-half interest was conveyed to the Scottish Rite Foundation.

On August 7, 1981, the Scottish Rite Foundation of Missouri, Inc., formerly Scottish Rite Foundation of St. Louis, Inc., conveyed to St. Francois County Environmental Corporation all of that part of U.S. Survey No. 2105 lying west of Big River. This is only about 16 acres of the previously traced 185 acres and the deed is recorded in Book 770 at page 307. This property is still held by the St. Francois County Environmental Corporation.

3.3 Summary of Owners

4.0 POTENTIALLY RESPONSIBLE PARTIES

4.1 St. Joe Minerals Corp.

St. Joe Minerals Corporation is a PRP because it generated the hazardous wastes and transported the wastes (via a slurry pipeline) to the disposal site which it also owned and operated. The tailings pond and chat pile were placed only on St. Joe Minerals Corporation property, so no former owners of site property are PRPs. St. Joe Minerals Corporation was incorporated in New York on March 25, 1864 as St. Joseph Lead Company. On May 12, 1970 its restated articles of incorporation changed its name to St. Joe Minerals Corporation.

On April 2, 1981 Fluor Acquisition Corporation was incorporated in New York. On August 3, 1981 St. Joe Minerals Corporation was merged with and into Fluor Acquisition Corp, with Fluor Acquisition Corporation being the surviving corporation. However, the Articles of Merger also changed Fluor Acquisition Corporation's name to St. Joe Minerals Corporation. The merger with Fluor Acquisition Corporation made St. Joe Minerals Corporation a 100% owned subsidiary of Fluor Corporation, a Delaware corporation primarily engaged in engineering and construction services.

St. Joe Minerals Corporation mines produce minerals and mineral products, principally coal, zinc, and zinc oxide, lead, iron ore pellets and oil and gas. When St. Joe Minerals Corporation was acquired by Fluor Corp. in 1981, it had extensive ore mines and mills throughout southeastern Missouri as well as mines and oil and gas interests in many other parts of the United States and several foreign countries. St. Joe Minerals Corporation has recently sold large segments of its operations (see Section 5.1). St. Joe Minerals Corporation is currently in good standing in the State of Missouri.

4.2 St. Francois County Environmental Corp.

St. Francois County Environmental Corp. is a PRP because it is the current owner and operator of a large part of the site. St. Francois County Environmental Corp. (SFCEC) was incorporated as a general not for profit corporation in Missouri on October 24, 1972. The purpose of SFCEC is to acquire, construct and operate a facility for the collection, processing, disposal and recycling of waste materials in St. Francois County. For this purpose, the County of St. Francois gave the land, which St. Joe had donated to it, to SFCEC, and all of the communities in St. Francois County began sending their garbage to the site to be landfilled. Representatives from some of the larger communities and from the county make up the board of directors of SFCEC. SFCEC is currently in good standing in the State of Missouri.

4.3 St. Francois County

St. Francois County is identified as a PRP because it is the current owner of part of the site property as described in Section 3.2. Its population is approximately 42,000. Its address is:

St. Francois County Courthouse
Farmington, Missouri 63640

4.4 Robert Ward and Harry Ward

Robert Ward and Harry Ward are identified as PRPs because they are the current owners of part of the site property as described in Section 3.2. Roberts Ward's home address is:

Highley Lane
Desloge, Missouri 63601
(314) 431-2945

Harry Ward's home address is:

104 N. School
Desloge, Missouri 63601
(314) 431-3591

4.5 Harry Ransom Jr. and Mona Ransom

Harry and Mona Ransom are identified as PRPs because they are the current owners of part of the site property as described in Section 3.2. Their home address is:

401 West Oak
Desloge, Missouri 63601
(314) 431-0174

5.0 PRP FINANCIAL INFORMATION

5.1 St. Joe Minerals Corp.

Very little financial information is available for St. Joe Minerals Corporation. As a subsidiary of Fluor Corporation, however, its accounts are included with Fluor's other subsidiaries in the Fluor Corporation consolidated balance sheet and income statement (presented in Section 5.1.1).

In November 1986, St. Joe Minerals Corporation lead operations were consolidated with those of Homestake Mining Company to form the Doe Run Company, a partnership 57.5 percent owned by St. Joe Minerals Corporation. St. Joe Minerals Corporation share of Doe Run's operating losses for 1987 was \$5.5 million, an improvement over 1986 losses of \$26.6 million. Doe Run made a profit in the first quarter of 1988.

In June 1987, St. Joe Minerals Corporation and Shell Oil Company partitioned the previously 50/50 owned A. T. Massey Coal Company located in Richmond, Virginia. St. Joe Minerals Corporation retained the A. T. Massey Coal Company, its management, and certain operating subsidiaries which carried a 1987 operating profit of \$28.3 million. It also posted a profit in the first quarter of 1988.

In September 1987 St. Joe Minerals Corporation sold its domestic zinc mining operations and in October 1987 completed the sale of its 90% interest in St. Joe Gold Corporation, a subsidiary. St. Joe Minerals Corporation had previously disposed of its oil and gas segment in 1985. St. Joe Minerals Corporation planned to sell the remainder of its metals businesses (except for Doe Run and Massey Coal) in 1988. St. Joe Minerals Corporation currently has 4,800 employees (1987 data).

5.1.1 Fluor Corp.

Fluor Corporation's consolidated financial status as of October 31, 1987, as reported in the Dun and Bradstreet report, is as follows:

| | | | |
|---------------|-----------------|-------------|---------------|
| Revenue: | \$3,924,480,000 | Net Income: | \$ 26,592,000 |
| Total Assets: | 2,061,186,000 | Worth: | 531,743,000 |

| | | | |
|-----------------------|-------------------|---------------------------|-------------------|
| Cash | \$ 74,642,000 | Accts. Payable | \$316,251,000 |
| Accts. and Notes Rec. | 782,996,000 | Advance Billings | 87,301,000 |
| Inventory | 61,232,000 | Accruals | 269,797,000 |
| Work in Progress | 253,742,000 | Taxes | 48,504,000 |
| Other Curr. Assets | <u>40,846,000</u> | L.T. Liab-(1 yr) | <u>11,421,000</u> |
| Total Current Assets | \$1,213,458,000 | Total Current Liabilities | \$733,274,000 |

Comparative operating results for the 6 months ended April 30, 1988 were: revenue of \$2,187,800,000 and net income of \$19,300,000 compared to revenue of \$1,801,700,000 and net loss of \$85,900,000 for the comparable period in the prior year. Fluor's restructuring, which included major sales of St. Joe Minerals Corporation assets and subsidiaries, along with improvements in the economy have combined to turn around Fluor's yearly net losses.

5.2 St. Francois County Environmental Corp.

St. Francois County Environmental Corp. is a not-for-profit corporation. It has two sources of revenue with which all operating expenses are funded. Each year, the nine incorporated municipalities in the county are subject to a base levy on a per capita basis. This method of funding was agreed upon by the participating communities when SFCEC was established. In addition, gate fees are collected at the landfill from all commercial haulers and individuals who bring wastes to be disposed. As a not-for-profit corporation, SFCEC attempts to match its fees with its expenses, and has been able to fund 25 per cent of the remedial costs to date at this site.

5.3 St. Francois County

No financial information was obtained for the County of St. Francois.

5.4 Robert Ward and Harry Ward

According to the St. Francois County Assessor's office, Robert Ward owns real estate in St. Francois County with an appraised value of approximately \$187,000 and an assessed value of \$35,020. Approximately \$7,000 of property is agricultural while the remainder (\$180,000) is residential. Kathy, at the assessor's office, stated that some of the residential property is apartment buildings. More detailed information about Robert Ward's real estate is located in Appendix C.

According to the St. Francois County Assessor's office, Harry Ward only owns one piece of real estate in the county which is his home. Its assessed value is \$4,130 with an approximate appraised value of \$21,750.

5.5 Harry Ransom, Jr. and Mona Ransom

According to the St. Francois County Assessor's office, Harry Ransom Jr. owns real estate in St. Francois County with an appraised value of approximately \$33,300 and an assessed value of \$5,680. Approximately \$9,250 of property is agricultural while the remainder (\$24,050) is residential. The parcel which contains site property is residential with an appraised value of approximately \$2050. More detailed information about Harry Ransom Jr.'s real estate is located in Appendix C.

6.0 CORPORATE OFFICERS AND ADDRESSES

6.1 St. Joe Minerals Corp.

Directors: Robert L. Guyett
David S. Tappan, Jr.
John A. Wright
P. Joseph Trimble

Officers: John A. Wright - Chmn, Pres.
P. Joseph Trimble - V.P.
Robert L. Guyett, Treasurer

According to the Dun and Bradstreet report for Big River Minerals Corporation (formerly St. Joe Resources Corporation), all of its officers were formerly officers in St. Joe Minerals Corporation. This report dated August 12, 1988 lists John A. Wright as the current president of Big River Minerals Corp. and the former president (1971-87) of St. Joe Minerals Corporation. However, no corroborating information from St. Joe Minerals Corporation was available. There does not appear to be any current connection between the two companies.

To

SUPPLEMENTARY DEED

St. Joseph Lead Company

THIS INSTRUMENT, made on the 21st day of January, 1931, by and between FIRM V. DESLOGE, JOHN P. VALLE, FIRKIN D. FUSZ, EUGENE A. FUSZ, JOSEPH DESLOGE, and VINCENT P. PINO, constituting the last President and Board of Directors of the Desloge Consolidated Lead Company (a Missouri corporation, which was dissolved on December 31, 1929), and the Statutory Trustees of said corporation, of the City of St. Louis, State of Missouri, parties of the First Part, and ST. JOSEPH LEAD COMPANY, a corporation organized under the laws of the State of New York, having its principal office in the City and State of New York, and duly authorized to do business in the State of Missouri, party of the Second Part, WITNESSETH;

THAT, WHEREAS, by deed dated June Twentieth, A. D. Nineteen Hundred and Twenty-nine, and recorded in the Office of the Recorder of Deeds of St. Francois County, Missouri, in Book 164, at page 137, the said Desloge Consolidated Lead Company conveyed to the said party of the Second Part certain lands and interests in lands in St. Francois County, described therein as being the lands or interests therein, acquired by said Desloge Consolidated Lead Company by certain deeds mentioned by parties, date, and place of recordation, and subject to certain exceptions therein similarly described; and,

WHEREAS, by contract between the said Desloge Consolidated Lead Company and said party of the Second Part dated June Seventh, A. D. Nineteen Hundred and Twenty-nine, the said Desloge Consolidated Lead Company agreed to give to the said party of the Second Part a deed or deeds describing said lands and interests therein with more definiteness and particularity, when requested;

NOW, THEREFORE, pursuant to, and in further performance of, said agreement, and to supplement the said prior deed hereinabove referred to, and to explain and make clear by positive description the lands and interests therein intended to be conveyed by said former deed, in all respects with the same effect as if the particular descriptions herein set forth had been, in the same terms, set forth in said former deed; and,

IN CONSIDERATION of the sum of One Dollar and other valuable considerations, receipt of which by the parties of the First Part from the party of the Second Part is hereby acknowledged, the parties of the First Part do by these presents GRANT, BARGAIN, EXCHANGE,

CONVEY and CONFIRM unto the said party of the Second Part, its successors and assigns, all of the following described lands and interests in lands situated in the County of St. Francois, in the State of Missouri, to-wit:

Also a tract beginning at a point in North line of the Northwest quarter (N.W. $\frac{1}{4}$) of the Southwest quarter (S.W. $\frac{1}{4}$) of Section twenty-three (23), Township Thirty-seven (37) North, Range Four (4) East five and twenty-five hundredths (5.25) chains East of the Northwest corner of the Southwest quarter (S.W. $\frac{1}{4}$) of Section twenty-three (23), thence East along said North line fourteen and seventy-five hundredths (14.75) chains; thence South forty-five (45) degrees East thirty (30) chains; thence West twenty-nine and fifty hundredths (29.50) chains to a point in the South line of the Northwest quarter (N.W. $\frac{1}{4}$) of the Southwest quarter (S.W. $\frac{1}{4}$) of Section twenty-three (23), ten and fifty hundredths (10.50) chains East of the Southwest corner of the Northwest quarter (N.W. $\frac{1}{4}$) of the Southwest quarter (S.W. $\frac{1}{4}$) of Section twenty-three (23); thence in Northwest direction to beginning, containing forty-five (45) acres more or less, this tract being known as the "J. C. Williams Land," and aggregating one hundred and thirty-seven and twenty-one hundredths (137.21) acres, more or less. The mineral and mining rights on the Southeast quarter (S.E. $\frac{1}{4}$) of the Southeast quarter (S.E. $\frac{1}{4}$) of Section twenty-two (22) and the Northwest quarter (N.W. $\frac{1}{4}$) of the Northwest quarter (N.W. $\frac{1}{4}$) of Section twenty-six (26); and the Northeast quarter (N.E. $\frac{1}{4}$) of Northeast quarter (N.E. $\frac{1}{4}$) of Section twenty-seven (27), Township thirty-seven (37) North, Range four (4) East, including all interest, right and estate in said lands reserved by the deed of Edwin Harrison and wife to James Chappoll, which deed is recorded in the office of the Recorder of Deeds of St. Francis County, Missouri, and containing one hundred and twenty (120) acres.

(20.) The fractional part Southeast quarter of Section 26, Township 37 North, Range 4 East. Also the fractional part of Northeast quarter of Section 35, Township 37 North, Range 4 East. The center of Big River being the Western and Southern boundary of said above described tracts, and said tracts containing 20 acres, more or less.

(21.) The East fractional half of the Northwest quarter of Section 36, containing 35.27 acres, more or less; the West half of the Northwest quarter of Section 36, containing 80 acres, more or less; the Northeast fractional quarter of Section 36, containing 67.23 acres, more or less: all in Township 37 North, Range 4 East.

22. The Southwest part of U. S. Survey No. 80, Township 37 North, Range 5 East, described as follows: Beginning at a stone at the Southwest corner of said Survey No. 80, and running thence North 8° East, 710.5 feet to the middle of the main channel of Reeder Branch; thence in a Southeasterly direction, up and with the meandering of the main channel of said Reeder Branch, about 1170 feet to the Southern boundary line of said Survey No. 80; thence North 64° 15' West, with said Survey line 782.5 feet to the beginning, and containing 5.15 acres, excepting, however, the right-of-way of the M. R. & N. T. Railway, containing 1.52 acres. The amount of land hereby conveyed being 3.63 acres, more or less.

23. One acre of land described as follows: Beginning at the Southwest quarter section corner of Section 10, Township 37 North, Range 4 East, running East 4 chains to the East bank of Cabin de Course Creek; thence down the East Bank of said Creek to a post; thence West 2 chains to the West side of Section 10; thence South 4 chains to the beginning, containing 1 acre.

(24) All that part of the East half of the Northeast quarter of Section 35, Township 37 North, Range 4 East, lying South of a line running along the center of Big River, containing 10 acres, more or less.

25. The North fractional half and the West half of the Southwest quarter of Section 6, Township 37 North, Range 5 East, containing 319.88 acres, more or less.

26. The following described tract or parcel of land lying, being and situate in St. Francois County, State of Missouri, to-wit: That part of U. S. Survey No. 2114, in Township 37 North, Range 5 East: Beginning at the Northwest corner of said Survey running South 82° East to channel of Big River; thence up Big River to the county road running from St. Joseph Lead Mines to French Village; thence along said road to the West line of said Survey; thence North 8° East with said line to the point of beginning, and containing 6 acres, more or less.

(27) All of the fractional Section 31, Township 37 North, Range 5 East, containing 21.97 acres, more or less, excepting therefrom one-fourth of an acre reserved as a burial lot by Catherine Reeder in deed by the said Catherine Reeder to the Dosage Consolidated Land Company, recorded at page 849, of Book 41, of the records of St. Francois County, Missouri.

28. All of a certain part or parcel of land in U. S. Survey No. 2105 and in Township 37 North, Range 5 East, lying South of Big River, being a fractional part of a tract known as the William Estes tract, the lines of said fraction to begin on the South side of Big River where the South boundary of Survey No. 2105 originally crossed said river and running East with the said boundary line to the Southeast corner of said original Survey No. 2105; thence North with the Eastern boundary line of said Survey to the line dividing the William Estes and Ledford Estes tracts or

to the Flat Branch that crosses said original line; thence with the divisional line Westward to the river. Said fraction to contain 10 acres, more or less, and being all of the William Esten tract that lies South of Big River, being the same land conveyed by Ellis G. Evans and wife to Levi Wells, less that part heretofore conveyed by Catherine Reeder to the M. R. & B. T. Railway Company.

29. All of that portion of U. S. Survey No. 2105, Township 37 North, Range 4 East, described as follows: Beginning at the Northwest corner of said Survey, running thence South 83° East 12.59 chains to a white oak; thence South 27° East 6.50 chains; thence South 73° West 4.78 chains; thence South 27° East about 2 chains to the Northeast corner of the Robert Lawson tract; thence South 81° West 10.18 chains to the East line of W. G. Milford tract; thence North 27° West to the beginning, containing 19.08 acres, less one acre heretofore conveyed by Robert Wood to E. T. Shaw by general warranty deed dated January 20, 1894, and recorded at page 563 of Book 43 of the records of the Office of Recorder of Deeds for St. Francis County, Missouri, being the same land heretofore conveyed by Robert Wood to Aubrey Wood, by deed dated January 21, 1895, and filed for record September 21, 1897.

30. The Northwest part of Lot No. 11 of the subdivision of U. S. Surveys Nos. 3092 and 1864, in Township 37 North, Range 5 East, a plat of which is recorded in the land records of St. Francis County, Missouri, in Book 28, at page 1, and contained within the following notes and bounds: Beginning at the Northwest corner of said Lot No. 11, and running thence East, on the Section line, 1303.7 feet to the middle of the public road leading from Dosage to Benne Torre; thence South 19° 15' West 411.7 feet; thence South 54° West 124.5 feet to a point in said road; thence North 82° West 1219.4 feet to the Southeast corner of U. S. Survey No. 2105; thence North 6° East 311.0 feet to the beginning, and containing 12.10 acres, more or less, excepting the surface right to the right-of-way of the M. R. & B. T. Railway, containing 0.56 of an acre.

31. The Southwest part of fractional Section 30, Township 37 North, Range 5 East, described as follows: Beginning at the Northwest corner of said fractional Section 30, it being the Southwest corner of U. S. Survey No. 80, and thence South 84° 15' East, with the Southern boundary line of said Survey No. 80, 1412.4 feet to the middle of the public road leading from Dosage to Benne Torre; thence with the middle of said road, South 6° West 454.5 feet; thence South 12° 30' West 183.5 feet to the South boundary line of said Section 30; thence East on the Section line 1403.7 feet to the Eastern boundary line of U. S. Survey No. 2105; thence North 6° East 990.0 feet to the beginning, containing 30.27 acres, more or less, excepting the surface right to the right-of-way of the M. R. & B. T. Railway, containing 2.27 acres.

32. All of Section 31, Township 38 North, Range 5 East, containing 524.17 acres, more or less.

33. A strip of land for right-of-way, to be used only for railway purposes, through part of fractional Section 35, Township 37 North, Range 4

East, and fractional Section 2, Township 36 North, Range 4 East, of the Fifth Principal Meridian, 100 feet wide being 50 feet on each side of the center line of Survey for railway from Desloge Shaft No. 4 to Desloge Shaft No. 5, commencing at Station 19 plus 35 on said Survey in the South line of U. S. Survey No. 3176, such point of beginning being 902 feet Eastwardly from the Southwest corner of said Survey; thence South $56^{\circ} 45'$ West (Mag.), a distance of 682 feet; thence to left with curve of 955 feet radius, a distance of 793 feet; thence South $10^{\circ} 50'$ West (Mag.), a distance of 123 feet; thence to left with curve of 519 feet radius, a distance of 842 feet; thence South $48^{\circ} 7'$ West (Mag.), a distance of 360 feet; thence to right with curve of 410 feet radius, a distance of 597 feet; thence South $35^{\circ} 38'$ West (Mag.), a distance of 261 feet; thence to right with curve of 717 feet radius, a distance of 385 feet; thence South $66^{\circ} 28'$ West (Mag.), a distance of 108 feet; thence to left with curve of 717 feet radius, a distance of 451 feet; thence South $27^{\circ} 13'$ West (Mag.), a distance of 920 feet; thence to left with curve of 283 feet radius, a distance of 190 feet to the South line of the Northwest quarter of the Southwest quarter of Section 2, Township 36 North, Range 4 East, at a point 193 feet East from a stone at the Southwest corner of the Northwest quarter of the Southwest quarter of said Section 2, containing 13.31 acres, more or less; subject to crossing rights reserved to M. R. & B. T. Railway Company.

34. A strip of land for right-of-way, to be used only for railway purposes, through the Northwest quarter of Section 10, Township 36 North, Range 4 East, of the Fifth Principal Meridian, being 100 feet wide, or 50 feet on each side of the center line of Survey for railway from Desloge Shaft No. 4 to Desloge Shaft No. 5, commencing at Station 119 plus 12 of the Survey of said Railway in the East line of said Northwest quarter of said Section 10, such point of beginning being 1067 feet South of the Northeast corner of said Northwest quarter; thence to the left with curve of 1433 feet radius, a distance of 78 feet; thence South $79^{\circ} 43'$ West (Mag.), a distance of 44 feet; thence to the left with a curve of 874 feet radius, a distance of 549 feet; thence South $24^{\circ} 52'$ West (Mag.), a distance of 118 feet; thence to the right with a curve of 717 feet radius, a distance of 615 feet; thence South $74^{\circ} 2'$ West (Mag.), a distance of 1837 feet to the East line of said Section 10, such point being 2128 feet South of a stone at the Northwest corner of said Section 10, containing 6.76 acres, more or less; subject to crossing rights reserved to the M. R. & B. T. Railway Company;

35. A strip of land for right-of-way, to be used for switching purposes only, beginning at a point on the line between Surveys No. 3092 and 870, Township 37 North, Range 3 East, at the intersection of said Survey line with the Western boundary line of the M. R. & B. T. Railway, 100 feet of right-of-way South of the Northeast corner of Survey No. 870, thence South $7-1/2^{\circ}$ East with the line between Surveys No. 3092 and 870 for a distance of 425 feet; thence South $82-1/2^{\circ}$ East 220 feet to the Western boundary line of the M. SPECIAL WARRANTY DEED

THIS DEED, made and entered into this 26th day of JUNE, 1972, by and between ST. JOE MINERALS CORPORATION, (formerly St. Joseph Lead Company), a corporation organized under the laws of the State of New York, party of the first part, and COUNTY OF ST. FRANCOIS (mailing address Courthouse, Farmington, Missouri, 63640); party of the second part;

WITNESSETH, that the said party of the first part does by these presents GIVE, GRANT, CONVEY AND CONFIRM unto the said party of the second part the SURFACE RIGHTS ONLY in and to the following described real estate, situate in the County of St. Francois, State of Missouri, to-wit:

A tract of land containing 4.68 acres, more or less, in Fractional Section 25, 8.33 acres, more or less, in Fractional Section 26, 14.91 acres, more or less, in Fractional Section 35, 39.07 acres, more or less, in Fractional Section 36, 11.10 acres, more or less, in U. S. Survey No. 870, 355.04 acres, more or less, in U. S. Survey No. 2164, and 70.69 acres, more or less, in U. S. Survey No. 3176, all in Township 37 North, Range 4 East, more particularly described in follows: Beginning at an iron pin on the north side of a private road, said iron pin being located 2326.31 feet South of and 6157.18 feet East of the northwest corner of said U. S. Survey No. 3176; thence following the north side of said private road S. 83° 38' W. 715.35 feet to an iron pin and S. 65° 49' W. 902.70 feet to an iron pin; thence departing from the north side of said road, N. 45° 03' W. 385.60 feet to an iron pin, thence N. 1° 09' E. 1043.35 feet to an iron pin, thence N. 85° 19' W. 220.56 feet to an iron pin; thence continuing N. 85° 19' W. approximately 75 feet to a point on the eastern bank of Big River; thence following said eastern bank of Big River in a north-westwardly direction approximately 1110 feet to a point on the dividing line between said U. S. Survey No. 3176 and said Fractional Section 35; thence continuing along said eastern bank of Big River, in a north-westwardly direction, for a distance of approximately 1350 feet to a point on the dividing line between said Fractional Sections 35 and 26; thence continuing along said eastern bank of Big River, in a north-westwardly direction, for a distance of approximately 410 feet, to a point on the dividing line between said Fractional Section 26 and said U. S. Survey No. 2164; thence continuing along the eastern and southern banks of Big River, in a northwestwardly, northeastwardly, eastwardly and southeastwardly direction for a distance of approximately 9360 feet to point of intersection of the southern bank of Big River with the eastern boundary line of said U. S. Survey No. 2164; thence following said eastern boundary line of said U. S. Survey 2164, in a southwardly direction, for a distance of approximately 3035 feet to point of intersection of said Survey line with the west bank of Big River; thence continuing in a southwardly direction, along the west bank of Big River, for a distance of approximately 415 feet to point of intersection of said western bank with a point in the dividing line between said U. S. Survey No. 2164 and said Fractional Section 25; thence continuing in a southwardly direction, along said western bank of Big River,

for a distance of approximately 40 feet, to point of intersection of said western bank with a point on the dividing line between said Fractional Section 25 and said Fractional Section 36; thence continuing in a southwardly and southeastwardly direction, along the western and southern banks of Big River, for a distance of approximately 975 feet to a point on said southern bank of Big River, which point bears N. 16° 38' W. a distance of 2098.91 feet from the beginning point of the tract hereby conveyed; thence departing from the bank of Big River, S. 16° 38' E. 2098.91 feet to point of beginning and containing in the aggregate 503.82 acres, more or less. Together with all timber, wood, rocks and tailings located on said surface rights.

Party of the second part assumes all future duties, liabilities and obligations of ownership.

The grantor reserves unto itself, its successors and assigns, an easement for its power lines which are now in place across the above described tract of land, together with the right of ingress and egress over said tract for the purpose of maintaining, making repairs to, making connections to, replacing or removing said power lines.

No right, title or interest is intended to be conveyed by this instrument in and to any part of the private road above mentioned.

It is hereby expressly agreed and understood that the grantor herein, its successors and assigns, retains for its own use and benefit all the ores, minerals and valuable deposits found or deposited beneath the surface of the hereby conveyed premises, with the full, free and unrestricted right and privilege at any time hereafter to mine and remove said ores, minerals and other valuable deposits therefrom, including the right to prospect therefor, and to sink shafts and to use so much of the surface of the hereby conveyed premises as may be necessary or convenient in mining operations, either for the purpose of connecting by road or railway any such shaft with other shafts or with the mills or other concentrating works of grantor, and the further right of doing, in a proper manner, any act upon the surface of the hereby conveyed premises which said grantor may deem necessary or desirable to fully enjoy its mining rights in and upon said premises. But it is further understood and agreed that for all damages that may be done to the surface of the hereby conveyed premises or to any permitted building or structure thereon, in the carrying out of any or all of the purposes and rights reserved, the said grantor shall pay the grantee a reasonable amount, to be agreed upon for such damages; and in the event they fail to agree, then the damages so sustained shall be determined by three appraisers, one appointed

by each of the parties interested and the third by the two so selected, and the decision of such appraisers as to such damages shall be final and binding upon the parties, the expense of such appraisal to be borne equally by the said two parties.

TO HAVE AND TO HOLD, the surface of the premises and the property aforesaid, together with all rights and appurtenances to the same belonging unto the said party of the second part, forever, subject to the terms, conditions, restrictions, covenants and reservations above set forth and to those referred to and of record. The said party of the first part hereby covenanting that it shall and will warrant and defend the title to the surface of said premises unto the said party of the second part, against the lawful claims of all persons whomsoever, excepting the terms, conditions, restrictions, covenants and reservations above set forth and those referred to and of record.

IN WITNESS WHEREOF, the said party of the first part has caused these presents to be signed by its Vice President and attested by its ²⁰¹⁷ Secretary and its corporate seal to be hereto affixed the day and year first above written.

St. Joseph Lead Company,

To

Mississippi River Fuel Corporation.

THIS AGREEMENT, Made this 11th day of January, 1911, by and between ST. JOSEPH LEAD COMPANY, a corporation of the State of New York, party of the first part, and MISSISSIPPI RIVER FUEL CORPORATION, a Delaware corporation, authorized and doing business under the laws of the State of Delaware, party of the second part;

The said party of the first part, for and in consideration of the sum of ONE DOLLAR, to it paid by the party of the second part, the receipt of which is hereby acknowledged, doth hereby grant, bargain, sell and convey unto second party, its successors and assigns, a right of way, or easement, and the right, from time to time, to thereon lay, construct, reconstruct, replace, renew, maintain, repair, operate, change the size of, and, at its election, to remove therefrom a single line of pipe, or pipe line, not to exceed eight (8) inches in diameter, for the transportation of gas, and to place, replace, maintain, open and remove gate valves and/or such other equipment as is or may be necessary for the operation thereof, over, upon, under and across the lands of first party, and the sub-surface rights and privileges owned and held by first part in certain other lands, the whole thereof lying and being in St. Francois County, State of Missouri, and situate, respectively, in (a) United States Survey No. 870, Township 37 North, Ranges 4 and 5 East; (b) United States Survey Nos. 870, 3176, 2164, 467, and Fractional Parts of Sections 36, 25, 23 and 14, Township 37 North, Range 4 East; (c) United States Survey No. 870, Townships 36 and 37 North, Ranges 4 and 5 East, and SW $\frac{1}{4}$ of NW $\frac{1}{4}$ Fractional Section 7, Township 36 North, Range 5 East; and (d) United States Survey No. 3272, Township 36 North, Range 5 East; the route of said right of way, or easement, and the line laid, or to be laid thereon, being more definitely fixed and identified by the red and yellow lines shown on the blue prints hereto attached and made part hereof, respectively designated as Exhibits "A", "B", "C" and "D"; the red shade also indicating land owned by first party in fee, and the yellow shade the lands in which it owns and holds the sub-surface rights and privileges.

Together with the right of ingress and egress to and from said right of way, or easement, and to and from said line, other equipment, or any of them, for the purposes aforesaid. It is understood that any pipe line laid under this grant shall be buried to such depth as will not interfere with the ordinary use or cultivation of said lands, and that first party shall always have the right to fully use and enjoy the above described premises, except as to the rights hereinbefore granted.

It is understood and agreed that if at any time the line laid, or so proposed to be laid under this grant, shall interfere with any permanent improvements hereafter made on said land, for railroad or other industrial purposes, then, and in that event, on request of the then owners of the lands, the party of the second part, its successors or assigns, will, at its own cost and expense, and within sixty (60) days from the date of such request, relocate on the premises, its said pipe line and equipment, and thereafter commence and prosecute the work of its removal to such new location with all due diligence.

The party of the second part hereby agrees to pay reasonable damages which may arise to crops, timber, fences or buildings of said first party from the exercise of the rights herein granted; said damages, if not mutually agreed upon, to be ascertained, determined and fully settled upon by three (3) disinterested persons, one (1) thereof to be appointed by the first party, one (1) by the second party, and the third (3rd) by the two (2) so appointed, and the award of the amount of the damages, so fixed by such three (3) persons, or two (2) of them, shall be final and conclusive.

The rights and privileges, conditions and covenants of this agreement, which are and are to be considered in the nature of covenants running with the land, shall extend to and be binding upon the legal representatives, successors and assigns of the parties hereto, respectively.

IN WITNESS WHEREOF, the parties hereto have caused this agreement to be executed by their proper officers, each therunto duly authorized, and their corporate seals affixed, the day and year first above written.

SHERIFF'S DEED UNDER TRUST DEED SALE.

Margaret Wilford.....)

WHEREAS, W. J. Elledge and Lida U. Elledge by their Deed of Trust, dated the seventh day of June, A. D. 1924, and recorded in the Recorder's office in St. Francois County, Missouri, in Book 117, page 336, conveyed to Benjamin H. Hartman, as trustee, the property hereinafter described, IN TRUST, to secure to Margaret Wilford, the payment of the promissory notes in said deed described:

~~AND WHEREAS~~, It is provided in and by the terms of said Deed or Trust, that in a certain contingency therein stated, the acting Sheriff of St. Francis County, Missouri, in case of the absence, death, refusal to act, or disability in anywise of the above mentioned Benjamin E. Hartley, Trustee, may act in lieu of and perform the duties and powers delegated to the said Trustee in and by the terms of said deed:

~~AND WHEREAS~~, Benjamin E. Hartley, the said Trustee, did refuse to act as Trustee,

~~AND WHEREAS~~, Default was made in the payment of the taxes on said real estate, and also, of the promissory notes secured by said Deed by reason whereof I, H. B. Watts, Sheriff of St. Francis County, in the State of Missouri, acting as Trustee and in the place and stead of the Trustee appointed in and by said Deed in accordance with the terms of said Deed, did, at the request of the legal holder of said ^{promised} promissory notes to execute the powers to me given by said Deed, and did, on Monday, the fourth day of May, 1925, A. D. Also, the above mentioned Washington Street, Town of Desloge, is shown on a plat of the Town of Desloge recorded in Plat Book 6, at Page 26, in the Recorder's Office of St. Francois County, Missouri.)

It is hereby expressly agreed and understood that a perpetual easement is reserved unto the City of Desloge to keep, retain, maintain, make connections to, repair, and replace a public sewer main and appurtenances thereto, over, under and across the above described land at the place where sewer is now located with the right of ingress and egress thereto.

This Deed is made for the sole purpose of correcting the description of a tract of land conveyed by St. Joseph Lead Company (now St. Joe Minerals Corporation) to Arthur T. Morris and Sandra Morris, his wife, by Special Warranty Deed dated the 26th day of September, 1963, and recorded in Book 425, at Page 451, in the Recorder's Office of St. Francois County, Missouri, said tract of land having been acquired by Harry Ransom, Jr. and Mona I. Ransom, his wife, from said Arthur T. Morris and Sandra Morris, his wife, by General Warranty Deed dated the 1st day of December, 1965, and recorded in Book 452, at Page 153, in the Recorder's Office of St. Francois County, Missouri, and for no other purpose whatsoever.

It is hereby expressly agreed and understood that the grantor herein, its successors and assigns, retains for its own use and benefit all the ores, minerals

and valuable deposits found or deposited beneath the surface of the hereby conveyed premises, with the full, free and unrestricted right and privilege at any time hereafter to mine and remove said ores, minerals and other valuable deposits therefrom, including the right to prospect therefor, and to sink shafts and to use so much of the surface of the hereby conveyed premises as may be necessary or convenient in mining operations, either for the purpose of connecting by road or railway any such shaft with other shafts or with the mills or other concentrating works of grantor, and the further right of doing, in a proper manner, any act upon the surface of the hereby conveyed premises which said grantor may deem necessary or desirable to fully enjoy its mining rights in and upon said premises. But it is further understood and agreed that for all damages that may be done to the surface of the hereby conveyed premises or to any permitted building or structure thereon, in the carrying out of any or all the purposes and rights reserved, the said grantor shall pay the grantees a reasonable amount, to be agreed upon for such damages; and in the event they fail to agree, then the damages so sustained shall be determined by three appraisers, one appointed by each of the parties interested and the third by the two so selected, and the decision of such appraisers as to such damage shall be final and binding upon the parties, the expense of such appraisal to be borne equally by the said two parties.

TO HAVE AND TO HOLD the surface of the premises aforesaid, together with all the rights, immunities, privileges and appurtenances thereto belonging, unto the said parties of the second part, as tenants by the entirety, so that neither the said party of the first part, nor its successors, nor any other person or persons for it or in its name or behalf, shall or will hereafter claim or demand any right or title to the aforesaid premises, or any part thereof, except as to the rights and interests herein expressly retained, excepted and reserved by the party of the first part, but it and every one of them shall, by these presents, be excluded and forever barred, except as to the rights and interests herein expressly retained, excepted and reserved by the party of the first part.

IN WITNESS WHEREOF, the said party of the first part has caused these presents to be signed by its Vice President and its corporate seal attested by its Secretary to be hereto affixed, the day and year first above written.

SPECIAL WARRANTY DEED

THIS DEED, made and entered into this 25 day of October, 1977, by and between ST. JOE MINERALS CORPORATION (formerly St. Joseph Lead Company), a corporation organized under the laws of the State of New York, party of the first part, and HARRY G. WARD and ROBERT D. WARD, as joint tenants and not as tenants in common, and their heirs and assigns (mailing address 104 N. School Street, Desloge, Missouri, 63601), parties of the second part:

WITNESSETH, that the said party of the first part, for and in consideration of Thirty-Eight Thousand, Four Hundred Forty and No/100 Dollars (\$38,440.00) to it paid by the said parties of the second part, the receipt of which is hereby acknowledged, does by these presents GRANT, BARGAIN AND SELL, CONVEY AND CONFIRM unto the said parties of the second part, their heirs and assigns, the SURFACE RIGHTS ONLY in and to the following described real estate, situate in the County of St. Francois, State of Missouri, to-wit:

A tract of land embracing part of Fractional Section 36, Township 37 North, Range 4 East, and part of Fractional Section 31, Township 37 North, Range 5 East, and part of U. S. Survey 3176, Township 37 North, Ranges 4 and 5 East, being more particularly described as follows: Beginning at an iron rod located 1156.61 feet west of and 170.87 feet north of a rail at the northeast corner of U. S. Survey 870, Township 37 North, Range 5 East, said iron rod also being on the north line of Washington Street (now known as Oak Street), Town of Desloge, at the southwest corner of a 0.489 of an acre tract of land conveyed by St. Joe Minerals Corporation to the City of Desloge by Special Warranty Deed dated the 22nd day of January, 1973; thence N. 81° 59' W., along said north line of said Washington Street, a distance of 716.60 feet to an iron rod; thence departing from said north line of said Washington Street N. 5° 13' E. 565.01 feet to a steel fence post, said steel fence post being at an easterly corner of a 37.22 acre tract of land described in Deed of Correction from St. Joe Minerals Corporation to James D. Allen, doing business as James D. Allen Materials, dated the 30th day of September, 1977; thence along boundary of said 37.22 acre tract as follows: N. 5° 01' E. 355.88 feet to a steel fence post, and N. 14° 56' W. 553.80 feet to an iron rod at the most northwardly corner thereof; thence departing from said 37.22 acre tract S. 89° 33' E. 864.12 feet to an iron rod on the westerly boundary line of a 54.64 acre tract of land described in Deed of Correction from St. Joe Minerals Corporation to Harry Ransom, Jr. and Mona I. Ransom, his wife, dated the 30th day of September, 1977; thence along boundary of said 54.64 acre tract as follows: N. 67° 57' E. 260.85 feet to an iron rod, S. 3° 41½' W. 1297.14 feet to an iron rod, S. 83° 45' E. 198.50 feet to an iron rod, S. 10° 19' W. 144.17 feet to an iron rod, and S. 31° 58' W. 205.01 feet

to an iron rod; thence departing from boundary of said 54.64 acre tract S. 52° 45½' W. 90.71 feet to an iron rod at the northeast corner of the above mentioned 0.459 of an acre tract of land conveyed by St. Joe Minerals Corporation to the City of Desloge; thence along boundary of said 0.459 of an acre tract as follows: N. 81° 59' W. 100.00 feet to an iron rod at the northwest corner thereof, and S. 8° 01' W. 200.00 feet to the point of beginning and containing 38.44 acres, more or less. (A plat of the property described herein is attached hereto.)

(Note: The above mentioned Washington Street, (now known as Oak Street) Town of Desloge, is shown on a plat of the Town of Desloge recorded in Plat Book 6, at Page 20, in the Recorder's Office of St. Francois County, Missouri.)

It is hereby expressly agreed and understood that the grantor herein, its successors and assigns, retains for its own use and benefit all the ores, minerals and valuable deposits found or deposited beneath the surface of the hereby conveyed premises, with the full, free and unrestricted right and privilege at any time hereafter to mine and remove said ores, minerals and other valuable deposits therefrom, including the right to prospect therefor, and to sink shafts and to use so much of the surface of the hereby conveyed premises as may be necessary or convenient in mining operations, either for the purpose of connecting by road or railway any such shaft with other shafts or with the mills or other concentrating works of grantor, and the further right of doing, in a proper manner, any act upon the surface of the hereby conveyed premises which said grantor may deem necessary or desirable to fully enjoy its mining rights in and upon said premises. But it is further understood and agreed that for all damages that may be done to the surface of the hereby conveyed premises or to any permitted building or structure thereon, in the carrying out of any or all of the purposes and rights reserved, the said grantor shall pay the grantees a reasonable amount, to be agreed upon for such damages; and in the event they fail to agree, then the damages so sustained shall be determined by three appraisers, one appointed by each of the parties interested and the third by the two so selected, and the decision of such appraisers as to such damages shall be final and binding upon the parties, the expense of such appraisal to be borne equally by the said two parties.

TO HAVE AND TO HOLD, the surface of the premises aforesaid, together with all rights and appurtenances to the same belonging unto the said parties of the second part, their heirs and assigns, forever, subject to the terms, conditions, restrictions, covenants and reservations above set forth and to those referred to and of record. The said party of the first part hereby covenanting that it shall and will warrant and defend the title to the surface of said premises unto the said parties of the second part, their heirs and assigns, against the lawful claims of all persons whomsoever, excepting the terms, conditions, restrictions, covenants and reservations above set forth and those referred to and of record.

IN WITNESS WHEREOF, the said party of the first part has caused these presents to be signed by its Vice President and attested by its Secretary and its corporate seal to be hereto affixed the day and year first above written.
